

Privacy Policy

Last updated: March 9th, 2022.

Type of Information collection

All information that you place or provide on our website is accepted and stored. This includes your IP (Internet Protocol) address and connection information from where you access our website. From this, we utilize tools and applications from 'Wix.com' to measure your presence time and actions on our pages, our pages response time and your means of exiting our page, which is your Non-personal information. You are given the option to share your personal information regarding your: name, email and location, which we may store.

Means of information collection

Interaction through means of placing questions or inquiries will result in your Personal details being shared with us, including your: name, email and location.

Motives for information collection

Reasons for collecting your Personal and Non-personal information follows:

- To ensure and qualify for appropriate internet, privacy and other laws.
- To generate statistical models and data which we and the Wix.com analytical tools can use to optimize our services and online marketing.
- To connect with our page Interactors that utilize the built-in contact service

Storing, utilizing and sharing and disclosing site Interactors personal information

This organization is hosted on Wix.com platform, which allows us to share our organizational information with you and for you to reach out to us. Thus, your data may be stored via Wix.com on their personal data storage facilities and databases and other Wix.com tools and applications. This data is protected by secured firewalls and servers. Information regarding your browsing actions on our pages will also be monitored and stored, which we will use for optimizing our websites marketing policy. From our control, your information both Personal and Non-personal, shall only be disclosed within our organization and not shared with any other parties.

Use of cookies

The website makes use of Cookies, to track and store information regarding the users use of our website and its services, through beacons, tags and scripts. Such tools will be used to analyze users activities in order to improve our services.

Withdrawing consent

If you wish to not disclose your data from us, email us at 'projectibeasy@gmail.com'.

Privacy Policy Updates

We preserve the opportunity and right to adjust and update this privacy policy for the duration that this website is online and operational, thus it is your responsibility to consistently familiarize it. These changes will be expected to be followed and/or implemented instantaneously upon the posting of the update. If we make changes regarding:

how we collect data, what data is collected or how we utilize it, or disclose it, you will be notified here of its changes.

Questions and contact details

If you wish to: revise, modify or erase your personal information we have stored about you, please contact us at 'projectibeasy@gmail.com'.
